Vendors must have a fully executed written agreement (contract) from the Arizona State Fair Commercial Sales Office prior to operating. Each written agreement is specifically written for the space leased. No agreement is effective until signed by all parties. Handwritten revisions or amendments to the written agreement are not allowed. **Vendors are bound by the terms of their written agreement that inherently includes the information and rules in this handbook.** The terms of the written agreement are strictly supervised and enforced by the Arizona State Fair.

The contract for each vendor space shall be issued only to the business owner of the exhibit/booth. Contracts that are issued are non-transferable. The misrepresentation of ownership, operation, appearance of any exhibit, or the subletting of space in any manner shall be considered a breach of contract and may result in the immediate removal of the exhibit from the Arizona State Fair.

Vendors who have not submitted a signed written agreement and booth fees by September 1 may have their contract cancelled and the vendor space as designated in the written agreement resold.

PAYMENT OF FEES

All vendors must pay a twenty-five dollar (\$25) application fee when submitting an application for a vendor booth. Application fees are non-refundable.

All vendor space fees as specified in the written agreement shall be paid by the due date listed on the written agreement. Vendors who do not remit payment by the specified fee deadline date listed on the written agreement risk losing their vendor space.

All contracts shall include a refundable deposit of one hundred fifty dollars (\$150) that is refundable to vendors in good standing following the closing of the Fair. The refundable deposit will be held until sixty (60) days after the close of the Fair pending any non-compliance fees. Deposit refunds will be issued to the owner of the business as listed on the contract and sent to the owner/business address as listed on the contract. The vendor is responsible for informing the Commercial Sales Manager of any changes in address.

A twenty-five dollar (\$25) fee will be charged on all returned checks.

REFUND OF DEPOSIT/BOOTH FEE

Vendors who cancel a signed written agreement and request a refund of booth fees must submit the request in writing, stating the reason(s) for the request to the Arizona Exposition and State Fair Board through the Commercial Sales Office. No refunds will be issued after October 1. Vendors removed for breach of contract shall not receive a refund of monies paid.

In addition, licensee shall indemnify, defend, save and hold harmless the State of Arizona, its departments, agencies, boards, commissions and its officers, officials, agents, and employees (hereinafter referred to as "Indemnatee") from and against any and all claims, actions, liabilities, damages, losses, or expenses including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Licensee or any of its owners, officers, directors, agents, employees or subcontractors. This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such Licensee to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnatee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnatee, be indemnified by Licensee from and against any and all claims. It is agreed that Licensee will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable. In consideration of the award of this License, the Licensee agrees to waive all rights of subrogation against the State of Arizona, its officers, officials, agents and employees for losses arising from the activities by the Licensee.
