We're always excited to welcome new partners to the Arizona State Fair fun!

Since 1905, for over a century, the Arizona State Fair has been a gathering place for residents from the far corners of the state. Guests come here to enjoy the richness and diversity of communities, to honor the past, celebrate the current and explore the future, and to get out of their daily routine and immerse themselves in a wonderland of amusement right in their own backyard. The Fairgrounds is home to Veterans Memorial Coliseum which opened over 50 years ago and has been visited by the likes of Elvis, Pope John Paul II, President Obama, and Cher.

The Arizona State Fair is Arizona's largest annual event. The 2023 Fair attracted more than 1.4 million people. Arizonans are ready to turn on the Fair fun!

Partnerships with the fairgrounds comes in a variety of opportunities that connect our sponsors with our community in relevant ways, building brand affinity and awareness, engagement opportunities and other promotional aspects.

Thank you for your interest in partnering with the Arizona State Fair. No matter what your corporate goals are, a package can be tailored to suit any sponsor's needs. Whether it is to enhance brand awareness, increase sales, target new customers or launch new products or services, Arizona State Fair is the ideal platform to reach more than one million Fairgoers in 23 days. I look forward to discussing in more detail at your earliest convenience.
