

Outdoor Space Electrical Pricing:

Up to 20 Amp - \$250

30 Amp - \$325

50 Amp \$375

50 Amp to 80 Amp - \$450

For over 80 amps - contact Vendor Coordinator

Please include complete and accurate information involving electrical usage on your application.

Do not underestimate. Rates may be verified for actual usage during peak hours and if usage is higher than referenced on the contract, you will be charged at the prevailing rates during Fair for the higher rate of use

Additional replacement charges will be assessed for any burnt electrical connectors.

Three-phase power is available in select areas. Please contact the Vendor Coordinator if you need this service.
