

2026 Stage Lead Position

Job Summary:

The Arizona Exposition and State Fair seeks a Stage Lead to play a role overseeing our community entertainers the day of their performance, including regular communication and logistical support to our performers, Community Stage Coordinator, and Events team. This is a temporary, part-time position during the 2026 Arizona State Fair. This fun and unique position requires strong communication and independent judgment skills.

Duties and Requirements:

- Communicating performance needs to audio engineers.
- Assisting performers load in and load out by use of a golf cart as needed.
- Ensuring the daily performers adhere to the schedule.
- Maintaining regular communication with the community stage coordinator.
- Documenting performance issues and/or concerns.
- Ensuring the stage act adheres to the Community entertainers' Handbook.
- Serve as a resource for the performer by representing the Arizona State Fair and its facilities.
- Communicate effectively with the Fair crew, community entertainers coordinator, and the performers.
- Work with a diverse population.
- Customer service and communication skills
- Able to identify and resolve problems with performers
- A strong work ethic, be detail-oriented, display a professional demeanor, and have the ability to multitask when needed.
- Basic knowledge of equipment commonly found on a stage. (e.g., lighting, sound, and stage areas, etc.)

Flexible weekend and evening schedules are required during the 2026 State Fair (Oct 1 - Nov 1, 2026, Thursdays - Sundays). Applicants should have access to reliable transportation. Applicants must have a valid Driver's License. Applicants must pass an employment background.

Interested applicants should submit an initial application using the link down below:
